USAGE GUIDELINES

What is a Trademark?

A trademark is a word (Love-Less) or symbol () adopted by Love-Less to identify our products and distinguish them from our competitors. A trademark is a guarantee of consistency and quality. It assures our customers that all products bearing our trademarks are of the same high quality that customers have come to expect from Love-Less Ash Company.

Overall Guidelines

1. The TM on our products serves as notice to others that Love-Less is claiming trademark rights to the particular word, symbol or phrase and may be filing a trademark application.

When a trademark is used multiple times in advertising, the TM need only be used once at the first or most prominent use.

Example:

Buy one AshVacTM Ash Vacuum System, get a second AshVac Ash Vacuum System 50% off!

3. Never use a trademark in the plural or possessive form, except if it is trademarked as such.

OK:

AshVacTM Ash Vacuum Systems

NOT OK:

AshVacs Ash Vacuum System

4. Never obscure, distort, cut off or place any copy or design over the Love-Less logo or any product logo. The logos should always appear in an upright position and should not be used sideways.

LOGO USE INSTRUCTIONS

Remember, proper usage of our logos strengthens our brand and ensures their power in the marketplace. Please consider the following examples as you develop materials.

1. Text or graphics should come no closer to the logo than is indicated at right or .25".

1.

2. The logo should never be obstructed by any item; it should be seen in its entirety and not be overpowered by other designs.

2.

3. Avoid manipulating the size or shape of the logo.

3.

4. Avoid manipulating the relation of type to the logo.

4.

5. Avoid moving the trademark symbol (™ or ®) from its usual location.
